

SPECIFICATIONS

MEASUREMENTS Large Chest: measures 10.50" in length x 11.50" wide x 5.25" height. Weighs 1 lb, 11.1 oz.
Small Chest: measures 7.5" in length x 8.5" wide x 5.25" height. Weighs 1 lb, 6 oz.

OUTSIDE Made of ethylene vinyl acetate (also known as EVA) a copolymer of ethylene and vinyl acetate. The weight percent vinyl acetate usually varies from 10% to 40%, with the remainder being ethylene. The material has good clarity and gloss, low-temperature toughness, stress-crack resistance, hot-melt adhesive waterproof properties, and resistance to UV radiation. Has a sturdy thermoplastic handle on 1" tubular nylon webbing, heavy duty plastic zipper with two metal pulls.

Luggage feet are sewn onto the bottom of the chest for protection against scratching and abrasion on surfaces, and offers some slip resistance. The feet are made of molded of rubberized plastic, approximately 1-1/2" wide.

DESIGNS Available chest colors and patterns include midnight blue, apple red, jet black, charcoal gray, line pattern, plaid, tribal, houndstooth and paisley. NOTE: Availability of exact patterns is based on access to sourcing.

LOGO The "My Favorite Things By K. Louise[™]" Travel Chest logo is standard on all chests, however, corporate or group logos and designs can be special ordered and placed in the center of the chest.

INSIDE A padded pocket cushions and holds firmly in place items such as, but not limited to, a mirror, CDs/DVDs, video games, tissue, cotton swabs/cotton balls, first aid products, hair accessories, curling irons, feminine hygiene products, incontinence products, and documents.

FOAM INSERT Two, 1" wide nylon straps on either side with snaps connect the top to the bottom of the chest, 2-1/4 hook attached to a flap with snap closure, and a padded pocket.

The removable expanded polyethylene foam insert is divided into 10 various shapes. This material is flexible, durable, cushioning, has a high-load bearing capacity, is impact resistant, and is resistant to bacteria, chemicals, grease, mold, oil and solvents. The material weighs about 1.6 pounds per cubic foot, a very lightweight material. This foam is soft enough to provide flexibility, but also dense enough to provide cushion for even the heaviest of items.

Foam is available in a variety of custom colors. Foam is to be wiped clean with a damp cloth only, and not to be washed in a washing machine or hand washed in a sink or tub of any kind, and must not be placed in a dryer.

TO ORDER All orders (e.g., individual, large, special or corporate) can be made at www.myfavoritethings-u3i.com, via email at info@myfavoritethings-u3i.com, by calling 630-981-1931 or toll free at 855-456-3383.
